Dear Mr. McGovern:

In a very short period of time you will be asked to vote on an anti-Semitic resolution. Let us be very clear, the BDS movement has been correctly declared an anti-Semitic movement. The history of the BDS movement has been not to facilitate a peaceful two state solution, but to eliminate the Jewish state of Israel. It is one thing to oppose specific Israeli policies. It is quite another to try to hurt the Jewish state. I would hope that before you vote on this resolution that you study the history of anti-Semitism. Visit the holocaust memorial. Ask yourself whether you want your legacy to be that you were part of an anti-Semitic movement. I wish you luck on your decision.

All The Best,

Roger B. Baskin
